Privacy of names and addresses is respected.

**Registrations are not refundable.**

Third Age Learning Guelph is a non-profit organization run by volunteers who arrange focused lecture programs for retirees interested in life-long learning. We offer two series of lectures each fall and two each winter in the Arboretum Centre, College Avenue East, on the University of Guelph campus.

**Mailing List:** Those on our mailing list receive brochures describing each lecture series, either through Canada Post or by email. To be added to the mailing list, please use the contact section in our website or write to the address below.

**Membership:** Annual membership is included in registration for a lecture series. Members are eligible to attend and vote at the Annual General Meeting. Please note, seating capacity in the Arboretum Centre is limited to 225 people.

**Guests:** Space permitting, day tickets (\$10 each) may be purchased at the door before a lecture.

**Registration:** We encourage on-line registration; however please refer to the registration panel of this brochure for other options. If space is filled before we receive your registration request, we will advise you by phone or email.

Registration tickets are **not** mailed. Please collect your ticket at the Arboretum Centre on the first day you attend a lecture series. Please arrive at least 15 minutes early to pick up your ticket and be comfortably seated before the lecture begins.

**Weather:** In the rare event that a lecture is cancelled due to weather, this will be posted on our website or may be confirmed by calling 226-790-1339.
